This Wonderful Region

Once more we stand on the threshold of a New Year. Our hearts beat with a renewed energy as our minds turn to thoughts of the future of this wonderful region. What will it bring?

Unprecedented Era of Prosperity

We think, we reason, we weigh well the facts that surround us. And we come to but one conclusion. That is, that the New Year spells naught but an unprecedented era of prosperity for our community and its citizens.

Our Business Relations with You

As for our Business Relations with you, we know that they will be as cordial in the future as in the past. We thank you for your patronage of the last year and we promise you that nothing will be left undone in 1923 that will in any way lessen the esteem in which our patrons now hold us.

THE KEY

May 1923 hold for you the key that will unlock the door to health, wealth and happiness.
